(Mongo, MariaDB, MySQL)

Mobile Development
(Phonegap, React Native,
Android, Kotlin)

Machine Intelligence
Development (Numpy, Keras,
Tensorflow)

Graphics Creation (includes
video editing, 3D Modeling
and rendering, logo design,
pixel art)/Development
(Blender, 3DS Max, Adobe
Creative Cloud Suite,
Aseprite)

Game Development (Godot,
Love2D, GBStudio, Unity)

Server Administration (ESXI,
Docker, Proxmox)

Network Administration
(Linksys, Cisco, TP-Link,
Dell)

Openstreetmap Development
Languages (English primarily,

SELF MANAGED PROJECTS

AOP — Abuse of Power Reporting System

Django and Mongo based application to report abuses of power. There are two parts, the intake system and the database viewer to slightly decentralize the project: <https://aop.wizdev.co/intake/>, <https://wizdev.co/aop/>

Source code: <https://github.com/agieocean/AOP>

Unity Answers Archive — An Archive of the Now Deleted Unity Answers Forum

Python scraper and ASP.NET Core MVC hosting: <https://uaa.wizdev.co/>

Source code: <https://github.com/agieocean/uaa/>

Etc

Extruder — A 3d library to create extrusions

This is a library I have created for the Processing language to create extruded versions of faces that you give it. This is included as it is one piece of work that I have done that has been officially attached to a language. You can find it here: <http://maxlfarrell.gitlab.io/extruder>

basic understanding of German, French, and Spanish)

Remote Hosting (AWS, Digital Ocean, Linode)

OS Competencies (Windows, Linux (Ubuntu, Kali, Fedora), Mac)

Remote Server Management (SSH, SCP, Bash)

Project Management (Kanban, Github, Gitlab, SCRUM/Agile)

Source Control (Git (Github, Gitlab))

Continuous Integration (Github, Gitlab)

Scraping (Requests, BeautifulSoup, Gecko, PhantomJS)

Live Streaming (OBS, Youtube, Twitch)

Video Publishing (Youtube, Vimeo)

AWARDS

3rd Place Overall, Best Use of AWS HackRiddle 2016, Toastifai

Overall Winner sudo Hackstetson, Queu3d

Best Developer Tool Polyhacks, Pool API

Offensive Security Competition Winners Florida Cybersecurity Conference
